

Thanks!

This workshop would not have been possible if it weren't for:

1. Our sponsors: HIF VNL (Grant Logan) and ILSA (Don Correll)
2. The program committee who made great suggestions for speakers:
Dick More*, Frank Bieniosek, Ron Davidson, Alex Friedman, Larry Grisham, Igor Kaganovich, Grant Logan, Gregg Penn, Jonathan Wurtele, Don Correll, Max Tabak.
(* also for his arm twisting ability)
3. The administrators who arranged for the site, and really did a ton of work:
Sharon Hernandez, Lynn Heimbucher, Judy Knecht
4. The conference service people who kept track of the bills and registration:
Pat Butler, Joy Kono
5. The webmaster: Mitch Alvarez
6. The speakers and panelists (i.e. the great suggestions of the program committee) who gave outstanding presentations!
7. Every participant for stimulating questions and discussions!
